Riprap Placement / Finish Excavator Operator

Tezak Heavy Equipment Co Inc., a progressive, “cutting edge” contractor, has an immediate need for a detail oriented excavator operator who takes pride in their work. The ideal candidate will have experience in all facets of civil construction, with an emphasis on drainage work. The position requires the placement of riprap and boulders for drainage projects along Colorado’s Front Range. Experience in working with excavators equipped with thumbs while safely placing individual boulders for drainage features in both urban and rural settings is a must.

Experience on other equipment (dozer, loader, grader) will be looked at favorably, as well as experience with GPS machine control systems. We are looking for dynamic, self-starters who take pride in producing quality work and want to join a winning team.

DUTIES AND RESPONSIBILITIES:

1. Operate Heavy Equipment according to OSHA / MSHA Safety Regulations.
2. Should have a working knowledge of the equipment being operated.
3. Should have general mechanical knowledge of equipment and be responsible for minor repairs of equipment.
4. Competency and experience preferred on the following equipment: wheel loaders, dozers, scrapers, and excavators.
5. Successfully communicates verbally and in writing for necessary day-to-day operations and record keeping.
6. Demonstrates effective teamwork skills.
7. Capable of extended work hours and weekend work as well as working away from home for short periods of time.
8. Attend formal safety training and technical training seminars.

EXPERIENCE/REQUIREMENTS:

1. High School Diploma or GED
2. Minimum 2-5 years of experience as a Heavy Equipment Operator.
3. Good driving record.
4. CDL Class A or B preferred, but not required

BENEFITS:

1. Competitive salary
2. Medical Insurance
3. Dental Insurance
4. Vision Insurance
5. Disability Insurance
6. 125 Cafeteria Plan
7. Life Insurance
8. Paid Vacation
9. 401K Plan with Company contribution

10. Tooling insurance
